

Oktoberfest Classic  
P.O. Box 20  
Minster, OH 45865

Dear Runner:

Thank you for running the 1986 Oktoberfest Classic 10k run. Not only did the weather cooperate when the rains stopped for the first time during the week, but all aspects of the run seemed to go rather smoothly. If, however, you have a complaint or constructive criticism, please let us know. Let us assure you that we are committed to continually improving the run and will consider any suggestions and recommendations, so please let us know!

Next year's run will be on Sunday, October 4, at 9:30 a.m. All 1986 registered runners will be sent an entry form some time in June or July. Some changes we are considering for 1987 are limiting the number of runners to 2000, with extra door prizes drawn from the first 1000 registrants, and only pre-registered runners having an official run shirt available to them. Prize money will be given again with possibly a bonus for setting a new course record. Of course, there will be lots of music and door prizes, as well as many age group, corporate, and heavyweight awards presented.

As you read the official results, we hope you had a good race and maybe a PR. The columns in your age groups, left to right, are place overall, position within age group, and time.

Good luck to you in all your running endeavors, and we hope to see you again next year.

Sincerely yours,

THE MINSTER BOOSTER CLUB, INC.  
OKTOBERFEST CLASSIC
